Around the world and back again: At left, a group of Burnaby Mountain Secondary students travelled to the Czech Republic to represent Canada at the Heart of Europe World Debate Tournament 2009. Pictured here in Olomouc, three hours from Prague, are Christina Yu, Frankie Cena, Carol Kwon and Armaan Kassam. Above, the Kornder family recently travelled to Reykjavik, Iceland. This shot was snapped by Jan Kornder just as the sun was rising at 4 a.m. in the old city and includes Jan's wife Carolyn, daughters Julia and Cheryl and son Brian.
